Overview

Larksfield practice is based in modern, purpose-built premises with a large car park for both staff and patients. Arlesey practice which is our branch surgery is based in Arlesey community building located next to the library and nursery school .The practice covers are variety of areas and you can access this information on our website .

The practice has suitable access for all patients, and adjacent to the waiting room there are patient toilets, a separate toilet for disabled patients and baby-changing facilities. Within the car park there are designated spaces for disabled patients at both sites.

Our reception areas both offer a portable induction loop for use by patients; please ask a receptionist for further information.

How to Register

We are pleased to accept all patients from Arlesey , Stotfold and the surrounding areas .The quickest way to register is on our website or you can collect a registration form from our reception area . **We advise you do this after 11am as the surgery is open for appointment access from 8am.**

We will register all our patients with a salaried GP and nominate a usual GP when we process your registration forms ;should you have a preference please let our team know, you do have a right to request to see a GP of your choice however G.P appointments are in high demand so this may not always be possible .

All patients will have a named GP you can view this is your online record , due to high demand this does not mean you will always be offered an appointment with your named G.P

You can register online, and further information can be found at www.larksfieldandarlesey.co.uk

We recommend you register for online services .Once you are registered with us, you will be able to book appointments online, order repeat prescriptions and access your health record .

If you change address or change your name, please ensure you contact the practice as soon as possible you can do this online; this will enable us to update your records. You can amend your address or contact number online at <https://www.larksfieldandarlesey.co.uk/navigator/change-of-personal-details/>

If you have any questions about the registration process, please speak to a member of staff who will be able to help you. **We advise that you do this after 11am**

Hours of Business

Monday, Tuesday, Wednesday ,Thursday, Friday: 08:00 – 18:30

The practice is open for appointments from 8am please try to avoid contacting the practice for routine enquires before 10am, This enables our staff to deal with on the day appointment requests and avoids delays to patients.

We occasionally close on an afternoon for staff development and essential training for our staff . The dates are uploaded on to our website ,during this time calls will be diverted to another local service.

Our practices have a range of multi-disciplinary clinical staff who can see and treat you . Your appointment does not always require a GP. Appointments are available to book in advance and on the day. Before booking online please read our website information regarding online booking and try to book with the right clinician. Where possible please do book online – this frees our telephone lines and reduces our queues and improves access for patients who are unable to use online services.

We have a mixture of appointments available with our G.Ps. Should you have complex or multiple health concerns, please ask the reception staff to arrange a double appointment for you; this will help us to adhere to our appointment schedule and avoid undue delays to other patients.

To book an appointment, please try our online services first where possible. The majority of our appointments are booked through accrx which is on our website under appointments .You can also call the reception team who will complete a triage form for you , you should expect a response within two working days for GP or Advanced practitioner appointments . We do not advise patients to queue in the mornings unless they have no access to online services or telephones.

To book an appointment with a practice nurse or HCA please call reception .

Home Visits requests

Home visit requests are at the discretion of our priority team and are usually for those patients who are housebound or have significant health issues and are not mobile. Should you require a home visit please call us between 9 – 11 am. A clinician will then telephone you to discuss your request.

Our Services

Along with the routine appointments, the practice offers the following services:

Family Planning – All of our GPs and the Practice Nurse offer a full range of family planning services.

Immunisations – The nursing team are responsible for the administration of both adult and child immunisations. The practice nurse has set vaccination clinics, which are held at both sites for childhood immunisations , flu and travel where we have capacity . If you are unable to attend these clinics, please enquire by telephoning reception after 11am and book an alternative appointment.

Travel Immunisations – The nursing team are able to offer a range of advice regarding travelling abroad and the required vaccinations / medications. You will be asked to submit a travel form detailing your destination and dates of travel, this must be submitted a minimum of 8 weeks prior to travel. Once an assessment has taken place you will be contacted by a member of the nursing team and an appointment made for vaccinations. We offer Hepatitis A, typhoid and Tetanus vaccines as part of the free NHS travel vaccine service. You may be signposted to a travel centre if additional vaccines are required.

Minor Operations – We currently do not offer this service

Cervical Smear Testing – This is carried out every three years for women aged 25 – 50 and every 5 years from age 50 - 65, the tests are undertaken by the nursing team. You will be contacted by the practice when you are due a test; this is a preventative test, aimed at stopping cancer before it starts.

Chronic Disease Management – We hold a range of clinics to help our patients manage the following:

- Asthma
- Hypertension
- Diabetes
- Heart disease
- Kidney disease
- Mental health

We also offer the following services:

- Antenatal
- Baby clinic
- Post-natal checks

Training

Although we are not a training practice, we will on occasion have student nurses, and other allied healthcare professionals working on-site. You will be advised if this is the case and asked if you are happy for them to be present when you are being seen.

It is our aspiration to become a training practice, which will see qualified doctors training to be GPs present in the practice for prolonged periods of time. We will communicate this to our patients when the time comes.

Complaints & Comments

We strive to offer an excellent service to our patients but do acknowledge that sometimes things can go wrong. If you are concerned about the service you have received or want to make a complaint regarding your care , please download a form from our website or call into reception after 11am and collect a complaints form . Forms need to be handed back into reception or posted to Larksfield Medical practice for attention of the manager. The complaints manager is our Business and Operations Manager . All complaints should be addressed to the practice in the first instant.

On our website you can access information about the complaint process and how we respond to and manage complaints. Our aim is to resolve all complaints in a timely manner, and we will aim for local resolution each time. If this is not possible, you will be advised of other ways of dealing with your complaint.

Equally, if we do something well, we would very much appreciate your feedback you can do this online.

Patient Responsibilities

Our receptionists are here to help and will always try to accommodate your requests and give you an appointment with an appropriate clinician. The team will do their utmost to assist you. Our team work incredibly hard, and we ask patients to treat them respectfully understanding the boundaries of their roles and the high demand we currently face in Primary care . The practice have a guideline contract of care which you can read at the end of this document

We request that you arrive promptly before your appointment, ideally five minutes early and where possible use the check in screen on arrival. If you are unable to keep your

appointment, please cancel this online or telephone us as soon as you know. Cancelling will enable us to offer your appointment to another patient who needs to be seen. We advise you to call after 11am for cancelling appointments in advance

Appointments cancelled with less than 24 hours' notice constitute as a 'Did Not Attend' (DNA) and will be recorded in your health record. Three DNAs within a twelve-month period will be discussed with the management team and it may result in your being asked to register at another practice.

Referrals Information

Should you see a clinician who has referred you from our practice you will be sent the following information from the secretary team when your referral is processed . Please do not contact the surgery to chase your referral unless absolutely necessary . You can find more information regarding this and referrals on our website

Zero Tolerance

This practice operates a zero-tolerance policy, and the safety of staff and other patients is paramount at all times. Staff have a right to care for others without fearing being attacked physically or verbally. We will not tolerate abuse towards our staff under any circumstances.

Abusive patients will be asked to leave the practice and are likely to be removed from the practice list.

A good patient relationship is fundamental to excellent patient care. The removal of a patient from the practice list is not something we take lightly.

Patient Information

Your information is held on our secure system; we can only disclose this information to a third party with your consent. All information is covered by the Data Protection Act (2018) and the General Data Protection Regulation (GDPR).

You are able to access your health record online; please register online for this service . Should you not be able to register online you can request a copy of your medical records using a Subject Access Request form. Please see our website for further information or call into reception after 11am and collect a form .

The national data opt-out programme will afford patients the opportunity to make an informed choice about whether they wish their confidential patient information to be used just for their individual care and treatment or also used for research and planning purposes. Patients who wish to opt out of data collection will be able to set their national data opt-out choice online. An alternative provision will be made for those patients who are unable to or do not want to use the online system.

Patient Participation Group

We have an active Patient Participation Group (PPG), ensuring that our patients are involved in decisions about the services provided by the practice. Further information about our PPG is available online at <https://larksfieldandarlesey.co.uk/practice-information/patient-participation-group-ppg/>

Alternatively, contact ppg.larksfield@nhs.net, who is the nominated point of contact for all PPG matters.

We want to proactively engage with our patients and at all times maintain an effective working relationship between the practice and our patients.
